

HOT JOB OF THE WEEK

Agriculture Specialist

*Department of Homeland Security,
Customs and Border Protection*

Discover a challenging and rewarding career in Customs and Border Protection, the sole organization responsible for securing the nation's borders. As part of our carefully selected, highly trained team, you'll leverage state-of-the-art technology, innovative strategies and world-wide partnerships to protect our communities and defend our frontier.

**U.S. Customs and
Border Protection**

USAjobs.gov control number: 1296756

In your position as Agricultural Specialist you will:

- Protect American agriculture and food supply by recognizing questionable and dangerous agricultural commodities, flagging them for inspection and overseeing their testing or destruction.
- Seize prohibited or contaminated items which could cause great harm.
- Educate travelers about why certain agricultural commodities and meat products are seized.

Requirements:

- You must be a United States Citizen or National.
- Must submit to background check.
- Must have successfully completed a bachelor's or higher degree that included a major field of study in biological sciences (including botany, entomology and plant pathology), agriculture, natural resource management, chemistry or related disciplines (e.g., ecology).

Salary: \$29,700 - \$58,500 per year

Location: Multiple Duty Locations

Application Deadline: September 30th, 2008
