

# HOT JOB OF THE WEEK

---

## Fisherman

### *Department of Commerce, National Oceanic & Atmospheric Administration*

NOAA Civilian Mariners operate and maintain research ships and conduct survey, sampling and fishing operations in support of NOAA's diverse environmental information products, environmental stewardship services and scientific research. Civilian Mariners add a seaman's know-how to NOAA's scientific research by participating in the operation and handling of scientific gear in the tumultuous ocean environment.

USAjobs.gov control number: 1280396

---

#### **In your position as Fisherman you will:**

- Handle, maintain, and upkeep fishing boats on which you will be traveling.
